

**CENTRAL MAINE POWER COMPANY
RESPONSE TO INDUSTRIAL ENERGY CONSUMER GROUP'S DATA
REQUEST NO. 1
DOCKET No. 2008-255**

October 24, 2008

IECG-01-16

- Q.** Please provide copies of all reports including incident reports pertaining to the CMP transmission system, prepared by or for CMP or Energy East since 1990 with the MPUC, US DOE, NERC, FERC, ISO-NE or other Government or semi-public transmission safety, reliability or efficiency organizations. (Again, a list may be useful. Counsel will cooperate to minimize the work included). Please note that this request includes transmission-related reports generated in response to transmission expansion and generator interconnection requests.
- A.** This information is voluminous. Nevertheless, CMP will make readily obtainable information responsive to the request available for inspection at Central Maine Power Company's General Office by appointment. Please contact debra.mills@cmpco.com via e-mail or call (207) 626-9798 to make an appointment.

Response Prepared and Submitted By:
David Conroy
Manager of System Planning
