- Q.** Please provide copies of presentation given to the Company from other utilities regarding cost containment.
- A.** Through CMP's involvement in ISO-NE and NEPOOL, CMP has seen a number of presentations from other utilities on their project estimating and cost controls. Attached is a presentation from Velco which was presented to CMP and ISO-NE in September 2008. The additional attachments are presentations given at ISO-NE or NEPOOL meetings at which CMP was an attendee. There may have been additional presentations on this topic but CMP has not retained those presentations.

**The attachments to this response are confidential and are being provided under the terms and conditions of First Revised Protective Order No. 2, Critical Energy Infrastructure Information, dated August 27, 2008.**
