

**CENTRAL MAINE POWER COMPANY
RESPONSE TO ORAL DATA REQUEST NO. 2
DOCKET No. 2008-255**

November 20, 2008

ODR-02-16

- Q.** Please provide a visual simulation of the view from Parent's property (the particular view will be decided on site at a mutually convenient time).
- A.** As agreed to at the Technical Conference, a photo-simulation will be developed in the vicinity of the Parent's property. CMP is currently conducting a property survey along the transmission line corridor near the Parent's and others properties. The photo-simulation will be undertaken and provided once the survey is completed.
