Re: CENTRAL MAINE POWER COMPANY and PUBLIC SERVICE COMPANY
OF NEW HAMPSHIRE, Request for Certificate of Public Convenience and
Necessity for Maine Power Reliability Program Consisting of Construction of
Approximately 350 miles of 345 kV and 115 kV Transmission Lines,
Docket No. 2008-255

Dear Ms. Geraghty:

In its Procedural Order dated December 24, 2008, the Hearing Examiner established February 4th as the deadline for submitting data requests on Intervenor Testimony. On January 28th Richard Silkman filed a Petition on behalf of Gridsolar in the above captioned proceeding. Exhibit B to that filing is confidential and will be submitted once an appropriate Protective Order has been issued. CMP will be submitting data requests later today on the portions that have already filed but requests that it be granted an extension of 5 days from the receipt of Confidential Exhibit B to file additional data requests.

Sincerely,

Debra J. Mills
Analyst, Regulatory & Tariffs
